Rocket Pro TPO partners provide incredible service to their clients, while tapping into the expertise, technology and award-winning process from Rocket Mortgage. The partner loan officer creates, and maintains, the relationship with the client. Rocket Mortgage approves, underwrites, processes and closes the loan in its name. Rocket Pro TPO has recently experienced massive growth. In 2019, Rocket Pro TPO closed more loan volume than in the previous five years combined. This has led to the lender's offices in Charlotte and Detroit growing substantially.
